Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Features: Trigger Lock, Splash Guard, Automatic Shut-off
- Stamp Number: D11a150s187
- Nozzle Diameter: 1 Inch
- Certifications: UL, CSA, CE
- Warranty: 1 Year Limited Warranty
- Quality: Guranteed
- Model: 11A
- Size: 5.5 Inches
- Highlight:
 - ce approved auto shut off nozzle ,
 - ce auto shut off nozzle ,
 - ce gasoline nozzle automatic shut off

Product Description

5.5 Inch UL/CSA/CE Approved 11A Oil Delivery Spout With Automatic Shut-Off

Product Description:

Our Fuel Dispenser Nozzle is engineered to deliver precise and accurate fuel dispensing to your customers, ensuring safety and reliability. With a temperature rating of 0-150 Degrees Fahrenheit, this Petroleum Flow Nozzle can handle various weather conditions and maintain its optimal performance.

Measuring 5.5 inches in size, our Fuel Nozzle is compact and easy to handle, making it an ideal choice for busy gas stations and fueling facilities. The nozzle features a stamp number of Dlla150s187, which guarantees its quality and authenticity.

Our Fuel Nozzle is designed with your customers' safety in mind. It has an automatic shut-off feature that stops fuel flow when the tank is full, preventing overfilling and spills. This feature also ensures that your customers get the exact amount of fuel they pay for, avoiding any discrepancies or complaints.

Our Fuel Nozzle is also easy to use and maintain, thanks to its user-friendly design. It is compatible with most standard fuel dispensing systems and can be easily attached or detached. The nozzle's spout and lever are made from high-quality materials, which are resistant to corrosion and wear, ensuring long-lasting performance.

Whether you're running a small gas station or a large fueling facility, our Fuel Nozzle product is an excellent investment for your business. It delivers superior performance, reliability, and safety, making it a top choice for fuel dispensing professionals.

Features:

Product Name: Fuel Nozzle

Quality: Guaranteed

Certifications: UL, CSA, CE

Warranty: 1 Year Limited Warranty

Pressure Rating: 50 Psi

Size: 5.5 Inches

Keywords: Diesel Fuel Gun, Fuel Dispenser Nozzle, Petroleum Flow Nozzle

Technical Parameters:

Material	Aluminum
Flow Rate	10 Gallons Per Minute
Cylinder	Multi-cylinder
Stamp Number	Dlla150s187
Hose Length	10 Feet
Component	Fuel Injection Device
Pressure Rating	50 Psi
Warranty	1 Year Limited Warranty
Model	11A
Quality	Guaranteed

Applications:

The Virette Fuel Nozzle is built to last, with a stamped number of Dlla150s187 that ensures its authenticity and quality. It is pressure rated at 50 psi, making it suitable for use with a variety of fuel types and applications.

One of the key features of the Virette Fuel Nozzle is its 1-year limited warranty, which provides peace of mind to customers who rely on it for their fueling needs.

Whether you need a gasoline hose nozzle for your gas station, oil delivery spout for your fleet of vehicles, or a petroleum flow nozzle for your industrial equipment, the Virette Fuel Nozzle is the perfect choice. Its high-quality construction, reliable performance, and versatile design make it a must-have for anyone in the petroleum industry.
